Terms and conditions

The certificate is subject to the following terms:

- The certificate is only valid for the products listed above
- DNV reserves the right, on a spot basis or based on suspicion, to pay unannounced visits to verify that the product(s) remains the same as the one originally certified

The following conditions may render this certificate invalid:

- Changes in the design or construction of the product.
- Changes or amendments to the referenced directive(s).
- Changes or amendments in the standards which form the basis for documenting compliance with the essential requirements of the directive(s).

Conformity declaration and marking of product

Any producer (see 2001/95/EC for a precise definition) is liable for damage caused by a defect in his product(s), in accordance with directive 85/374/EEC, as amended, concerning liability of defective products.

In order to legally confirm this commitment for the product(s) covered by this Certificate, the manufacturer must draw up an EC declaration of conformity.

When meeting with the terms and conditions above, the manufacturer may legally affix the CE mark followed by the Notified Body identification number of DNV (0434).
